SUMMARY

I am a software developer skilled in Node.js, Next.js, PostgreSQL, and the MERN stack. Currently pursuing a Bachelor of Technology in Computer Science, I am passionate about building innovative tech solutions. My experiences in web development have equipped me with problem-solving skills and a collaborative mindset. I'm eager to take on new challenges in software development or full-stack roles.

EXPERIENCE

Web Development Intern

KODAAC (Kodagians Alumni Association)

📅 08/2024 - Present   📍 Bengaluru, Karnataka

- Collaborated with teams to manage data collection and improve web performance
- Enhanced existing systems through bug fixes and feature development

Website and Data Management Volunteer

KODAAC (Kodagians Alumni Association)

📅 02/2024 - 08/2024   📍 Bengaluru, Karnataka

- Streamlined data collection processes
- Improved data accuracy and efficiency

PROJECTS

Blog Application

A full-stack blog application.

- A full-stack blog application built with the MERN stack (MongoDB, Express.js, React.js, Node.js), with user authentication and post management.

Front Page Maker

A web app for creating project front pages.

- A web app to help students create professional project front pages with ease, featuring one-click PDF generation and logo upload.

Weather App

An application that fetches live weather data.

- Built using Node.js, React, Tailwind CSS, and Axios. Fetches live weather data using a RESTful API.

SKILLS

Node.js   **React.js**   **Express.js**

MongoDB   **MERN Stack**   **Next.js**

Tailwind   **PostgreSQL**   **Javascript**

Python   **Git**   **Github**

KEY ACHIEVEMENTS

💎 🔧 **Solved a real-world problem**

Front Page Maker lets students quickly create project front pages from any device, even without a computer!

💎 **Built Full-Stack Application**

Developed a blog platform with user authentication and post management using the MERN stack.

💎 **Developed KODAAC Website**

Built a temporary KODAAC website and assisting with the development of the main site.

EDUCATION

Bachelor of Technology - Computer Science and Engineering

SRU, Raipur

📅 08/2022 - Present

VI - XII (Sr. Secondary)

Sainik School, Kodagu

📅 07/2015 - 07/2022
